

Moving Forward™ answers your questions about hepatitis C

You've just learned that you have chronic hepatitis C and it's important to find out about treatment right away. It's also important to start learning all you can about chronic hepatitis and the therapy options available.

Order a free Moving Forward Kit by calling 1-866-444-3004 and receive:

- **24-hour, toll-free telephone access to specially trained Nurse Counselors**—available 7 days a week, to discuss hepatitis and treatment in confidence.

(over, please)

- **Hepatitis Video**—introduces you to three patients who have succeeded with therapy. Provides information on hepatitis, the liver, and side-effects management.
- **Hepatitis Workbook**—an interactive guide providing in-depth information on hepatitis and treatment options.
- **The H.O.P.E. Book**—inspirational patient quotations about their personal successes with therapy.

Order your kit today!
